

SPEA commits to guarantee the protection of the health and safety of all personnel through risk prevention, training and personnel involvement, injury and professional disease reduction.

SPEA considers this commitment as a fundamental element for the development of the company being aware that a safe operating environment improves the quality of products and services, while the protection of the health of its collaborators increases their morale and sense of belonging.

Furthermore, SPEA commits to operate in close cooperation with its suppliers of products and services in order to guarantee the health and safety of all personnel, observing the standards throughout its supply chain.

In particular, it undertakes to:

1. Comply with the legislation on occupational health and safety
2. Ensure a clean, healthy and safe workplace
3. Adopt measures, plans and procedures for emergency response
4. Adopt measures and procedures to prevent injuries
5. Promote competence, awareness and involvement of staff
6. Communicate effectively with all staff
7. Continuous improvement of the H&S Management System
